

SOFT™ LIGHTING SYSTEMS, Inc.
2224 – 137th Place S.E. Bellevue, WA 98005-4032
Phone: 425.679.6550 WWW.Softlite.com

This Soft™ Lighting System illuminates a soccer field/softball field combination. You can see there is light on the trees immediately behind the poles. However you cannot see any trees behind the first row. Black, powder coated steel poles were used on this project completed in the Fall of 2004.

Gig Harbor High School, Gig Harbor, Washington.
