

SOFT™ LIGHTING SYSTEMS, Inc.
2224 – 137th Place S.E. Bellevue, WA 98005-4032
Phone: 425.679.6550 www.softlite.com

A Soft™ Lighting System pole for a soccer field is being installed. Note the baseball field in the background, and the existing conventional lighting system. Two years later because of requests from players and the neighbors; the city removed the existing conventional lighting system and replaced it with a Soft™ Lighting System! This soccer field was completed in 2002.

GrassLawn Park, Redmond, Washington.
